

“FIX-AN-EVENT” Clinic

To Benefit: Morven Park Equestrian Center

With well-known eventers/instructors:

Yvonne Lucas and Gillian Clissold

New and Experienced Eventers: Spend a day this summer with your horse, learning to do what you love more skillfully and confidently! Ride all three phases - dressage, cross-country, show jumping - and benefit from highly qualified coaching and “fixing” in a supportive, friendly atmosphere. This clinic is similar to a dressage “fix-a-test” clinic. Participants ride a phase, receive feedback and instruction, then ride the phase again.
