Thank you for considering Morven Park as a beneficiary of your estate plan. With a gift through your estate, you will play a role in guaranteeing that the Morven Park property and programs continue to inspire and educate our visitors and serve our community.

As a Member of The Legacy Circle

With their donation of Morven Park and its many treasures, Governor and Mrs. Davis left a legacy that has been enjoyed by generations. You can build upon this tradition of generosity as a member of The Legacy Circle—created to recognize those who have thoughtfully remembered Morven Park through deferred gifts, ensuring this 1,000-acre oasis is available for generations to come.

Planning Your Legacy at Morven Park

Ways to Give

There are numerous ways of giving lasting support to Morven Park, many of which provide benefits to you — including possible estate and/or capital gains tax benefits — while helping you realize the satisfaction of making a difference:

Bequests by will or trust can be a simple and creative way to make a thoughtful gift.

Gifts of retirement fund assets can help you save other, less-heavily-taxed assets for distribution to your friends or family.

Gifts of appreciated stock are an alternative to cash. Made through securities, they may offer attractive tax benefits, as the donor avoids capital gains tax and deducts the entire current value of the gift as a charitable contribution.

Gifts of appreciated property are another alternative to cash. In certain instances, a gift of tangible personal property or real estate might offer tangible tax benefits to the donor's estate.

Talk with your financial advisor to determine the best way to make a gift to Morven Park.

In Recognition of Your Gift

In appreciation for including Morven Park in your estate plan, we are pleased to honor you through acknowledgement in Morven Park materials (if desired). Legacy Circle members enjoy special opportunities to learn more about the land and programs you support, and we look forward to seeing you at these events.
