Welcome to Morven Park!

This special weekend marks our 7th year of Carriage Driving competition at Morven Park. This year, we're excited to expand the schedule to three full days of events, including the return of the Arena Driving Trial! It is our pleasure to join with the James River Driving Association and Toad Hollow Farm to present the Old Dominion ADT Challenge, and with the Carolina Classic in the Pines to offer the High Point Challenge Trophy.

As you traverse the Park during the competition, you will notice that improvements to the Equestrian Center have continued, including revitalization of the indoor arena, enhancement of the race course in preparation for the return of Steeplechase racing, and the installation of numerous shade trees following a successful AnniversaryTree campaign. Thank you to everyone from the equestrian community who has supported our efforts thus far!

If you are looking for something fun and unique to do later this summer, be sure to join us for our Saturday evening Arena Polo series that begins July 6th. Enjoy the great view and sense of community on the hillside above the arena, host your own private party with a tailgate spot, or reserve a VIP railside box for your special guests. Visit PoloInThePark.org for details and to purchase discounted tickets.

While you're online, consider becoming an Equestrian Patron or a Morven Park Member to receive unlimited free admission to the mansion, access to Members-only events, the opportunity to purchase tickets to popular events in advance of the general public, and much more! Equestrian Patron benefits are described at MorvenPark.org/Patron, while various levels of Membership Benefits can be found at MorvenPark.org/Membership.

As you know, Morven Park strives to attract the best across all equestrian disciplines, from Carriage Driving to Eventing to Pony Club. Hosting 60 days of varied competition each year, Morven Park is a beloved asset I hope you will join me in supporting. There is much work to be done as we continue to improve our equestrian facilities and grounds. Please take a moment today to donate at MorvenPark.org/DonateNow to invest in Morven Park's future, ensuring that generations to come will enjoy this stunning venue and vital public resource.

I wish you an enjoyable weekend and much success.

Pleasure Show Class Descriptions

Turnout

Entries are judged primarily on the performance and quality of each turnout. To be shown both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back. To be judged: 70% on the condition, fit and appropriateness of harness and vehicle, neatness and appropriateness of attire and overall impression; 30% on performance, manners and way of going.

Working

Entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the arena at a walk, slow trot, working trot and strong trot. To stand quietly, both on the rail and while lined up, and to rein back. All entries chosen for a workout may be worked both ways of the arena at any gait requested by the judge and may be asked to execute appropriate tests. To be judged: 70% on performance, manners and way of going of the horse(s); 20% on the condition and fit of harness and vehicle; 10% on neatness of attire.

Reinsmanship

Entries are judged primarily on the ability and skill of the driver. To be shown both ways of the ring at a walk, slow trot, working trot and strong trot. Drivers are required to rein back. All drivers chosen for a workout may be worked at any gait requested by the judge and may be asked to execute appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent “feel” of the horse’s mouth. Drivers should not be penalized or rewarded for using one general style over another. To be judged: 75% on handling of reins and whip, control, posture, and overall impression of driver; 25% on the condition of harness and vehicle and neatness of attire.

Pick Your Own Route – Obstacles

To be driven over a course of obstacles (paired markers) with no set route. Not to exceed 20 obstacles. Typically, obstacles in this type of class are not measured for each entry but are set at 80 inches (200 cm) at the start of the competition, and only reset in the event of a knockdown. After passing through the Start markers, the driver proceeds through each obstacle to the designated Finish markers, choosing his own route. Each obstacle to be negotiated once and only once, but may be approached from either direction. Course faults are scored as penalty seconds and are added to the driver’s elapsed time. Placings are determined on a low total time basis.

Gambler’s Choice

To be driven over a course of unnumbered obstacles each carrying a specific point value. Each driver has the same allowed time to negotiate as many obstacles as possible. Each obstacle is assigned a point value according to its degree of difficulty and each driver tries to amass as high a score as possible within the time allowed. After passing through the Start markers, the driver may drive through the obstacles, in any order, from any direction. Each obstacle may be driven twice, but not in succession. If driven a third time, no points will be awarded. No obstacle may be re-driven once it has been disturbed. (Exception: obstacles which are designed to be knocked down.) No points will be awarded for an incorrectly completed obstacle. If the obstacle is incorrectly driven, but not disturbed, it may be attempted again. If a horse should refuse or run out at an obstacle without disturbing it, the driver may elect not to attempt it and may drive to another obstacle without penalty. The obstacle may be attempted later. If it is correctly driven the appropriate points will be recorded. A signal will sound at the end of the allowed time and the driver must then exit through the Finish markers where the total time on the course will be recorded. If the signal sounds when the competitor is committed to an obstacle, the competitor may complete the obstacle and receive the appropriate points, then proceed through the finish markers for total time to be recorded. Whether or not the competitor was committed to the last obstacle at the signal will be left to the discretion of the judge. Dislodging a start or finish marker will incur a penalty of 5% of the total points accumulated by the entry.

Ladies’ Driving Class (Working)

Entries are judged primarily on the suitability of the turnout to be driven by a lady with emphasis on manners. To be shown both ways of the arena at a working walk, a relaxed walk with slight contact, slow trot, working trot, and strong trot. Must rein back without resistance and stand quietly for up to one minute at any location in the arena. To be judged 50% on manners, elegance and suitability of the turnout for a lady, 25% on skill of the driver, 25% on overall impression.

Gentlemen's Driving Class (Working)

Entries are judged primarily on the suitability of the turnout to be driven by a gentleman with emphasis on appropriate manners. To be shown both ways of the arena at a walk, slow trot, working trot and strong trot. May show a degree of boldness but not excessive speed. Must stand still in the line-up and rein back willingly. To be judged 50% on the suitability of the turnout for a gentleman, 25% on the skill of the driver, 25% on overall impression.

Drive & Ride

Single horse to be shown in two concurrent sections. In Harness: To be shown to a suitable pleasure driving vehicle, both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back. Under Saddle: To be shown both ways of the arena at a walk, trot (or jog), and canter (or lope). To stand quietly and to rein back. To be judged: • 50% on performance, manners, way of going and suitability in harness. • 50% on performance, manners, and way of going under saddle

Carriage Dog

A pleasure driving class judged primarily on the suitability of the dog to serve as a companion (maximum one dog per carriage). To be judged both ways in the arena at a walk, slow trot and working trot. The dog should be standing, lying down or seated on the vehicle or should run behind, beside or at the axle of the vehicle. The dog must be under control at all times. The dog must not be led on the ground from the vehicle or be restrained by being tied to the vehicle, driver or passenger. The driver should not hold the dog, and the dog should not interfere with the driver in any way. The dog may be of any breed. To be judged 60% on the suitability of the dog to serve as a companion; 30% on the performance, manners and way of going of the horse(s); 10% on the overall impression of the turnout, including the dog. Entries with a dog clearly not under control may be eliminated. The judge may elicit input from the spectators, in the form of applause to aid in making her decision.

Picnic Class

Entries will be judged two sections: a performance section and a staging section. A picnic appropriate to the turnout and number of participants must be carried on the vehicle. All picnic participants must be on the carriage during the ring section of the class and be present in the staging section.

- a. Performance section – 25%. To be judged both ways of the ring at a walk, slow trot and working trot. Not to be asked for a strong trot. May be asked to rein back & stand quietly in the lineup. To be judged on performance, manners, and overall impression.
- b. Staging section – 75% At the conclusion of the ring section, competitors will be directed to the staging area to unhitch and set up a picnic. Horses to be taken to the stable area. The picnic will then be judged as part of the class. Staging area may include tables and chairs for use by each turnout. To be judged on quality of picnic presentation.

Father's Day Class (House Class)

Driver or passenger must be a father. Entries are judged primarily on manners. To be shown both ways of the arena at a working walk, a relaxed walk with slight contact, slow trot, working trot, and strong trot. Must rein back without resistance and stand quietly for up to one minute at any location in the arena. To be judged 50% on manners and elegance, 25% on skill of the driver, 25% on overall impression.

Concours d'Elegance

A pleasure driving class in which the essence of the competition is the word "Elegance". The winner will be the turnout which, in the opinion of the judge, presents the most elegant effect. This will include vehicle, harness, appointments, horse(s), driver, passengers, grooms, etc., but above all, general impression is most important. Vehicle and harness may be inspected to ensure thoughtful restoration and careful maintenance. Attention will be paid to the personal appearance of the driver, grooms, and passengers as it contributes to the overall picture. Performance will not be judged unless it detracts from the elegance of the turnout. An honorary judge may assist with the judging of this class.

Juniors are prohibited from exhibiting stallions. Must wear properly fastened protective headgear which meets ASTM/SEI standards. Failure to comply will result in elimination.
8. Drivers and passengers will be dressed conservatively according to the style of the present day. All drivers must carry a whip, wear a hat or helmet, apron and gloves while driving their equine (ADS rule 207.1). This attire includes Utility Division exhibitors.
9. Virginia & ADS regulations provide that all animals must have proof of negative Coggins test (Equine Infectious Anemia) to be current within one year through the show date (June 16, 2019). At American Driving Society ADS-recognized events, all equines entering the event location must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within the six months prior to entering the competition venue. Article 6.3
10. All dogs on show grounds must be restrained by a leash. No exceptions! Any dog not so restrained will be detained and owner will be subject to fines.
11. Schooling is permitted in designated areas of outdoor arenas & Indoor arenas on Thursday through Sunday (June 14-16). Schooling on the racetrack is not permitted. There will be no schooling in Dressage Arena, Pleasure Show Ring or on Obstacle Courses.
12. Wire wheels & pneumatic tires are permitted only in VSE, Novice, Utility or Junior driving classes. They are prohibited in all other classes unless the vehicle is an antique wire wheeled vehicle (long wire spokes with hard tires).
13. In the event of a breakdown in the obstacle classes, either to harness or vehicle, which necessitate a halt for repair, the competitor is to make only those adjustments/repairs necessary for the safe removal of their turnout from the obstacle course.

14. The pleasure driving horse may be of any breed, color or size. Very Small Equines are those **less than** 39 inches (9.3 hands high). Ponies are over 9.3 hands (39"/99cm), not to exceed 14.2 hands (58"/147.32 cm). All animals taller than 14.2 hands high are horses.

Failure to comply entails elimination.
16. Bridles should fit snugly to prevent catching on a vehicle or other pieces of harness and **under no circumstance or condition should a bridle ever be removed from a horse or pony while it is still put to a vehicle. Removing the bridle or detaching the reins before unhitching, anywhere on the show grounds will result incur elimination or disqualification.**
17. Pick Your Route obstacles and Gambler's Choice obstacles will have a map posted at the arena and the official scoreboard.
18. All exhibitors are automatically eligible for the Concours d'Elegance award. Competitors will be selected based upon the overall turnout as presented throughout the show. An honorary official may be asked to judge.
19. **Cantering is prohibited in all pleasure driving classes.** Breaks to canter are defined as four full strides if an advantage has been gained; six full strides if no advantage has been gained (ADS Article 211). Prolonged cantering will be penalized according to class specifications. In the case of multiples, all horses in a turnout must break to incur penalties. Cantering is permitted in the cones courses during the Arena Driving Trial for Preliminary & Intermediate Divisions.
20. Penalties - All obstacle classes will be run under ADS rules. For the Pick Your Own Route class, please refer to ADS Article 249.5 for specifics. For the Gambler's Choice class, refer to ADS Article 250.3.

23. Drivers receiving outside assistance after the judging has begun will be penalized at the judge's discretion or as specified by class rules unless that assistance has been specifically allowed, e.g. holding a turnout while a party is giving assistance or aid during an emergency.
24. Protective headgear is acceptable in all classes for adults. This applies to whips, groom, and passengers.
25. Golf Carts and ATVs may be operated only by a person with a valid Driver's License.
